

# West Essex Code of Civil Conduct

We, the West Essex community, pledge to demonstrate commitment to fair play and civil courtesy. Under no circumstances will we disrespect a player, referee, or fan, for we realize our actions and statements are a reflection of our school. We will promote good sportsmanship and citizenship on and off the field. Home or away, win or lose, no matter the outcome, we promise to be respectful of others and ourselves to demonstrate excellence in school spirit.
