

AP MUSIC THEORY

Summer Assignment

Instructor: Mrs. Marion Drew

Dear AP Theory Students,

In the fall, we are going to begin an exciting year-long journey into the wonderful world of music theory. There is no need to convince you that you will grow to love music even more than you already do, because I know you are fantastic musicians and performers already, so you already love music. I am confident that you are going to enjoy and find great success in our deep dive into music theory.

SUMMER ASSIGNMENT DUE ON THE FIRST DAY OF SCHOOL:

Alfred Essentials of Music Theory (Book you received on Move-Up Day)

- Complete all work in PENCIL
- If you are considering using pen, please see bullet number one.
- You MAY highlight topics in the book on which you need explanation.
- The whole book must be completed by the first day of school.

Please join my Google Classroom using the code [yk4s2zz](#)

Over the summer, I will be posting helpful links, websites and communicating when our summer extra help/checkpoint sessions will be held.

Please do not hesitate to reach out with questions. I LOVE talking about music theory, even in the summer!

Have a wonderful summer break and I will see you in September.

Musically yours,

Mrs. Drew
