Masks Update - August 6

[Executive Order No. 251](#)

Students, educators, staff, and visitors will be required to wear face masks indoors for the start of the 2021-2022 school year. The Governor signed Executive Order (EO) 251, which will mandate masking in the indoor premises of all public, private, and parochial preschool, elementary, and secondary school buildings, with limited exceptions. The EO is effective on Monday, August 9, 2021.

[Exceptions](#) *will remain unchanged from last year.*

The Road Forward: NJDOE/NJDOH August 21

- Mandatory masking requirement per Executive Order 251
- Close contact exception in the K-12 classroom setting
- LEAs are encouraged to promote the COVID-19 vaccination
- LEAs should work closely with LHDs as they make decisions regarding which mitigation strategies to implement and when based on data (WE Medical Advisory Committee)

****Monitor the community transmission levels****

Summary of Changes, NJDOH - August 21

Close Contact: Someone who was within 6 feet of an infected person (laboratory-confirmed) for a cumulative total of 15 minutes or more over a 24-hour period (for example, *three individual 5-minute exposures for a total of 15 minutes*).

- **Exception:** In the K–12 indoor classroom setting, the close contact definition excludes students who were within 3 to 6 feet of an infected student if both the infected student and the exposed student(s) correctly and consistently wore well-fitting masks the entire time.

This exception does not apply to teachers, staff, or other adults in the indoor classroom setting.

Vaccination Update - August 23

[Executive Order No.253](#)

Requires all preschool to Grade 12 school personnel to be fully vaccinated against COVID-19 by October 18 or be subject to COVID-19 testing at minimum one to two times per week.

The order also clarifies that individuals seeking a medical exemption from mask wearing pursuant to certain exceptions outlined in Executive Order No. 251 will be required to produce written documentation from a medical professional to support that exemption. Self-attestations and parental attestations are not sufficient.

Vaccination Clinic - Tentative

- Essex County has partnered with St. Barnabas Medical Center/RWJ Barnabas Health and is committed to providing onsite mobile vaccine clinics at schools
- Familiar and convenient location for teachers, staff, and eligible students and their families
- The West Essex Regional School District, the Essex Fells School District, Fairfield Public Schools, North Caldwell Public Schools, and Roseland School District will be hosting a vaccination clinic (Pfizer vaccine) for individuals 12 years or older
- Friday, September 10 (dose 1) and Friday, October 1 (dose 2) from 3:00 pm - 6:00 pm at West Essex High School.

Additional Information

- Health Screening - Genesis Form (yearly) - Week of August 30
