

West Essex High School

Class of 2019

PROJECT GRADUATION

It's hard to believe that our children are about to complete 9th grade in a couple of months. So it's time to start planning for one of their most memorable school events, **PROJECT GRADUATION**.

Project Graduation is a long-standing tradition for West Essex students. It provides a drug and alcohol free celebration aimed at keeping our graduates safe, sober and off the roads on what, statistically, is one of the most dangerous nights of their young lives.

With the support of families and fundraisers, all food and beverages, music and entertainment are provided during this parent-chaperoned celebration. The graduates are transported to and from an off-campus venue for an all-night event. The projected cost is estimated at \$225 per student.

We encourage you to send in your payment as soon as possible so we can begin fundraising activities that may be necessary to offset any additional costs.

We are offering 3 convenient options to help make Project Graduation 2019 a reality:

1. A single discounted payment of \$175 per child by December 31st, 2016 *(Save \$50!)*
2. A single payment of \$200 starting January 1st, 2017 *(save \$25!)*
3. A single payment of \$225 starting January 1st, 2018

Please complete the payment slip below and mail it with your check:
