

WEST ESSEX REGIONAL SCHOOL DISTRICT

WEST GREENBROOK ROAD
NORTH CALDWELL, NJ 07006
973-228-1200

Dear Graduate, Parent/Guardian: _____

Enclosed please find your Project Graduation Contract. **Please read this contract carefully and return the signed contract to Barbara Huff, 8 White Oak Dr., North Caldwell, New Jersey 07004 NO LATER THAN June 1, 2017. No student will be able to attend this event without a signed contract on file.** In addition, parents of children under 18 years old (NOT SIBLINGS) will be the only ones able to pick up their child after this event.

Listed below is a schedule for the Project Graduation event:

Graduates are to arrive at West Essex Senior High School cafeteria between **7:45 pm – 8:15pm** for check-in. They can be dropped off and picked up or they can park in the high school lot near the cafeteria. **The buses will leave West Essex promptly for the venue-by 8:30 p.m. Arriving after 8:15 p.m. could prohibit your child from riding the bus.**

We strongly encourage your child to not go home after the graduation ceremony. Instead, have you child go immediately after picture taking to the cafeteria because there will be crowds of people coming and going from the school and your child may not make it back in time for the bus.

Local police will be checking the bags the students are bringing with them. (Bags should contain just a bathing suit and towel). By signing the permission slip you are giving authority for this search. Please monitor your child's activities. If it is suspected that they may be under the influence they will be turned away.

The activities begin upon arrival at the venue which is closed to outsiders. Unlimited snacks, food, desserts and beverages all night long with endless activities. The event will end with a buffet breakfast.

The buses will be leaving the venue at approximately 1:45a.m.and will arrive back to West Essex High School parking lot by approximately 2:00am for drop-off. Police will be in the parking area to ensure a safe delivery & departure.

CONGRATULATIONS AND BEST WISHES TO ALL THE GRADUATES AND THEIR FAMILIES.

Thank you in advance for your anticipated cooperation.
Project Graduation Class of 2017

West Essex High School

Class of 2017

PROJECT GRADUATION

Project Graduation is a long-standing tradition for **West Essex** students. It provides a drug and alcohol free celebration aimed at keeping our graduates safe, sober and off the roads on what, statistically, is one of the most dangerous nights of their young lives.

With the support of families and fundraisers, all food and beverages, music and entertainment are provided during this parent-chaperoned celebration. The graduates are transported to and from an off-campus venue for an all-night event. The projected cost is estimated at \$200 per student.

We encourage you to send in your payment as soon as possible so we can begin fundraising activities that may be necessary to offset any additional costs.

To make Project Graduation a reality we request a payment for your child to attend the event.

Please make a payment of \$200 ASAP.

Please complete the payment slip below and mail it with your check:

Student Name _____

Address _____

Email Address _____

Make checks payable to: **WEST ESSEX PTO-PG 2017!**

____ Enclosed is my payment of \$200

Mail to:
