Dear West Essex Community,

This is a follow-up to my November 22 correspondence regarding the New Jersey Department of Health (NJDOH) COVID-19 Activity Level Report. For the week ending November 28, our Northeast Region (Bergen, Essex, and Hudson) remains in the [High Risk](#) category.

With that said, our District will continue to follow the recommendations as indicated in the [NJDOH Guidelines](#) and we will maintain ongoing communication with our local health officials.

I will continue to provide you with information as it becomes available.

Again, thank you for your support and cooperation.

Sincerely,

*Damion Macioci*
